**DOCKET NO. 2006-99-C**

**NOTICE OF FILING**

Bluffton Telephone Company, Inc. ("Bluffton") and Hargray Telephone Company, Inc. ("Hargray") (collectively, the "Petitioners") have filed a Petition requesting implementation of an Extended Area Service ("EAS") Plan. The

Petitioners propose to have the Commission implement the Plan, which simplifies the current expanded calling options by offering wide-area calling at a fixed, affordable rate. Pursuant to the Plan, as described in the Petition, the Petitioners would eliminate all current Extended Flat Rate Service plans (currently \$10.00 for residential customers and \$20.00 for business customers, allowing customers of both Bluffton and Hargray to call all customers within both companies' service areas) and all Measured EAS ("MEAS") charges (currently \$.04 per minute for calling to a wide number of exchanges in South Carolina and Georgia, as fully set forth in the respective companies' tariffs and in the Petition). In lieu of those options, the Petitioners would have an extended EAS area that includes Petitioners' service areas as well as all of the exchanges that currently are subject to MEAS charges. The Plan would require a mandatory monthly EAS adder of \$2.25 for all residential customers and \$4.50 for all business customers. According to the Petition, the majority of Petitioners' residential and business customers would either experience an overall decrease or would see no change in their total bills for expanded calling as a result of implementing the proposed plan.

A copy of the Petition is on file in the offices of the Commission, 101 Executive Center Drive, Columbia, South Carolina 29210, the Commission's web site at [www.psc.sc.gov](http://www.psc.sc.gov), and is available from Margaret M.
